NYEP is even better when you bring someone along! Invite an eligible newcomer friend to join you for an opportunity to meet new people, build connections and discover what our program has to offer.

Chef It Up: Pizza Making
It's time to put on your chef hat! Join us for a hands-on pizza-making session where you'll get to customize your own pizza with your favourite toppings. Get creative with your combinations, enjoy some friendly conversation and share a delicious meal with fellow NYEP participants. No cooking experience is needed just bring your appetite and creativity!

NYEP Goes to the Movies
Grab your popcorn! Join NYEP for a movie outing where you can relax, enjoy a film and spend time with other participants outside the usual program setting. It's a chance to unwind, connect with friends and enjoy a fun shared experience.

NYEP Goes to the CN Tower
Join NYEP for an exciting visit to the iconic CN Tower and experience one of the city's most recognizable landmarks. Take in the views, explore with fellow participants and make memories while discovering more of the city you call home. Get ready for an experience filled with exploration, connection and adventure!

The Zone Clean-Up
Let's give back to our community! Join NYEP for a group clean-up at The Zone as we work together to keep our shared space clean, welcoming and enjoyable for everyone.

Clay Creations
Get hands-on and bring your ideas to life with clay! During this creative session, you'll have the opportunity to shape and design your own clay creation, whether it's a small sculpture, a decorative piece or something entirely your own. Explore your creativity, try something new and enjoy a relaxed session making art alongside other NYEP participants
